

Club rules Malmöhus Cricket Club 2008

Before entering the club, the becoming member must accept the club rules by mail.

Intro : Malmöhus CC is based on multicultural values with respect and understanding for each other. This is the spirit of why MHCC was formed in 1993. Everyone that agrees on above values are welcome in our club.

Club goals:

The goal for MHCC is that every active member get their fair share of playing the game. MHCC provides two alternatives to play the game of cricket. The most important thing is that the club comes first never the first team or the social team or indeed the individual player.

1:st team:

Plays competitive with the aim to win all matches or competition it takes part in. The best team is selected for each match. On the day it is the captain who decides who bats and bowls depending on the match situation. One cannot expect to be able to bat or bowl in each match. The team's result comes before the individual demands. For the sake of team spirit alcohol is not to be consumed during matches.

The first team will provide a separate kit for disposal

2:nd team / social team :

Aims to be as competitive and socialising the game as possible. The big challenge is to make as many players as possible during the season get as involved as possible in each match.

The social team will provide a separate kit for disposal

Training:

Outdoor the practice will commence every Wednesday weather permitting.
Indoor , the aim is to practice every other Sunday starting January

At training there will be separate training kit for disposal

Matches:

Matches will aim to commence on Saturdays (fixtures permitting)

- 1:st team : gathers at 09.00 (always 1½ hour prior to the match) , Social team meets 1 hour earlier than match start
- Inform the captain if you are coming late or you have to leave early, prior to the match
- Everyone is expected to help out regarding equipment, tent mat etc. , it is understood that if you come late you do not leave early as well.

Selection:

Only paid-up club members will be available for selection unless the team captain is short of players.

Notification regarding availability will be mailed out by the secretary 2 weeks prior to the game (applies for both teams). Players in respectively team have one week to reply. The final 11 will be announced by latest Wednesday before match day. The team will be selected by the captain and vice-captain of the team and a third selector. The final team will be announced by the captain only.

It is essential for both teams that each player notifies their intentions of what team they are going to play for. Or they like to be available for selection for both the 1: team and the social team. This notification has to be made not later than 28 of February each Year.

For each match (applies for both teams) there will be a voluntary “ match host ”. If there is no volunteer then a player will be chosen. Each player is expected once a Year (depending on active members, could be every second Year) to help out in this matter.

Match host's responsibility is to make sure the following duties are carried out:

- Open up the container
- Collecting match fees
- Running of " the kiosk "
- Responsible for providing food, water etc
- Umpires are chosen
- Packing the kit bag
- Close the container
- Produce a match rapport on our homepage
- Keeping scoreboard and scorebook up to date

Correspondence regarding selection as follows regarding availability:

- YES
- NO
- NOT SURE , WILL CONFIRM LATER
